
Monson Public Schools
Pupil Personnel Services Office
September Newsletter

WELCOME

The 2016/2017 school year is off to a great start! As the new Director of Pupil Personnel Services, I have been meeting with administrators, teachers, parents, and community members to learn more about the district and to obtain feedback regarding the special education services for the students of Monson. From my conversations, communication has been a common theme that will be an area of focus over this school year. I will be publishing a monthly special education newsletter with information from a variety of topics such as special education timelines, information from our pupil personnel services office, and other topics related to special education. The Monson Public Schools website also has a link for Student Services/Special Education which will be updated soon as an additional resource. I look forward to working together this school year to improve the communication between home and school.

MONSON SPECIAL EDUCATION PARENT ADVISORY COUNCIL (SEPAC)

Holly Lynch, the Special Education Parent Advisory Council President is in the process of scheduling the first Special Education Parent Advisory Council meeting for the school year. I will be posting Special Education Parent Advisory Council information on the Monson Public Schools website and on the Monson Public Schools Facebook page with more information. Please stay tuned!

COMING SOON

In the months ahead, I plan to provide you with information on topics related to special education. In the interim, please feel free to explore the following websites:

<http://fcsn.org>

<http://www.massfamilyties.org>

Wishing you and your family a successful school year!

Sincerely,
Suzanne Morneau
Director of Pupil Personnel Services
