

What role can you play?

Support Member – No volunteer time required, but YOUR membership adds strength to our voice as we advocate for your children, our children, and all children.

Occasional Volunteer – Help out at an individual event, perhaps a couple of hours at a book fair or baking a dish for teacher appreciation.

Advocate – Every time we speak up for our children, we are advocating. You can take that to the next level. Learn about the legislation, local state, and / or federal that affect your child and your schools. Find your voice!

Committee Member – What's your interest? Arts, Health & Wellness, Newsletter, Literacy? Meet with others to plan exciting programs and events.

Committee Chair – Share or expand your leadership skills. Work with committee members to bring educational and informative programs to our students and parents.

Board Member – Not sure what this entails or if you're up to it? No worries! Talk to a board member.

Regardless of your level of involvement, ALL members:

- Are automatically members of Massachusetts PTA and National PTA, the world's largest child advocacy group, which, since 1897, has worked toward bettering the lives of every child in education, health and safety.
- Receive email updates on PTA and school activities.
- Receive great discounts with their PTA membership card, including Staples, MetLife, Hertz, AARP, and many more!
- Are invited and encouraged to attend meetings. While attendance is not required, meeting with other parents can provide insight and support. It also gives you an opportunity to voice your opinion on important issues that affect you and your children.
