

Academic Expectations and Rubrics

AE #5 - CITIZENSHIP

***Driving Principle:** Citizenship is an integral part of a healthy environment. This is highlighted by active development and consistent practice in areas including respect, empathy, interpersonal skills, cultural awareness and sensitivity, and integrity. At MHS, our contributions to our school and greater community are evidenced by our actions and define our success.*

	Advanced	Proficient	Needs Improvement	Does Not Satisfy
<p style="text-align: center;">School Culture and Educational Community</p> <p style="color: #800000;">This rubric will be utilized when student interaction involves another student communities or the community at large. For example, field trips, athletic contests, school functions both on and off campus, school exchanges</p>	<p>Active versus passive</p> <p>Exhibits outstanding, exemplary behavior; citizenship behaviors are easily and frequently observed.</p>	<p>Self Respect and Respect of others</p> <p>Demonstrates kindness towards staff and peers by being helpful and supportive, working cooperatively, and encouraging others.
